

Amaia STEPS
NUVALI

Amaia STEPS
Parkway *NUVALI*

LOCATION

Situated at the corner of Evolving Parkway and West Conservation Avenue, Amaia Steps Parkway and Amaia Steps Nuvali share in the benefits of a fully master planned development built to support and sustain itself in the long term. Mixed-use developments like neighboring villages, future retail areas and institutional establishments are within reach at a 500-meter radius.

LOCATION

Amaia Steps Parkway and Amaia Steps Nuvali are five-minutes away from the main entrance of NUVALI, along Sta. Rosa-Tagaytay Road. Its main access road is the future Evolving Parkway, a 26 meter major thoroughfare that opens up along Sta. Rosa-Tagaytay Road.

Both projects are highly accessible to and from surrounding towns and cities like:

Sta. Rosa City proper (15 mins)	Alabang (30 mins)
Calamba City proper (15 mins)	Makati CBD (40 mins)
Tagaytay (20mins)

Structural Stability

- With sufficient drainage system and access to outfall points
- Smoke detection system per unit
- Roofs are durable enough heavy rains and can withstand winds up to 300kph

Right-sized Living Spaces

- Bigger units compared to other Steps and Skies projects
- Opened layout floor plan for client's layout flexibility

Eco-efficiency

- Earth colored facades and roofs minimize the absorption of the heat from the sun
- With naturally ventilated units and hallways
- With LED bulbs in common areas*
- Lush landscape provides cooler temperature

KEY SUSTAINABILITY FEATURES

The logo for Amaia features the word "Amaia" in a green, sans-serif font. A stylized brown leaf or branch graphic is positioned to the left of the letter 'A', extending upwards and to the right, partially overlapping the letter.
